Refund policy:

If a customer is not 100% satisfied with the completed paper we send, Then the client is required to request for a revision. However the client can also request for a rewrite by another writer. If the customer is still not satisfied, we will offer 100% provided the customer does not use the paper or any part of the paper we send.

Partial refunds will be implemented in case the client feels that the deadline extension requested by our writers or staff differs so much with the deadline that was there initially.
